Resolved that the acquisition of Survey No. 28, temple inam, is not feasible; that the house be built further west on Survey No. 27; and that the estimated sum of Rs. 50 payable towards the acquisition of the land be met by reappropriation of the current year's budget grants.

III. Read Secretary's docket No. 6002—Med. 97-06-9, dated 3rd January 1907, requesting to be furnished with a list of the villages at which the Board propose to open branch dispensaries; and the resolutions of the marginally noted Taluk Boards on the subject.

Resolved that the branch dispensaries be opened at the villages noted below; that the Taluk Board of Chiknayakanhalli be asked why a branch dispensary should not be opened at Kandikere village, and that the resolutions of the other Taluk Boards on this subject be considered when received.

(1) Tovinkere village (Koratagere Sub-Taluk.)
(2) Hoskote (Pavagada.)
(3) Kadaba (Gubbi Taluk.)

IV. Read Secretary's docket No. 6233-48—L. Resolved that all the superfluous establishment of a 2nd class bungalow is not wanted and that it would be ample if each III class bungalow is provided with a scavenger on a pay of Rs. 6 per mensem as already proposed.

The Officiating Executive Engineer who was present was of the above opinion.

VI. Read Government Proceedings No. 9322-3—L. B. 388-06-2, dated 9th April 1907, requesting that the matter of acquiring 22 square yards of land for widening the road in the Goragondanahalli village, Tiptur Taluk, may be placed before the District and Taluk Boards and that copies of their resolutions thereon may be sent pointing out the source in the current year's District Fund grant from which the compensation of Rs. 10 is to be met, etc.

VII. Read Government Proceedings No. 9952-61—Med. 133-04-4, dated 27th April 1907, stating that the Presidents of Municipal and District Boards are informed that in cases in which the reflooring of the dispensaries named in the enclosed statement could be undertaken during the current year they should state whether the funds can be made available from the current year's Municipal and District Fund budgets and if so, to what extent and how the balance in each case could be met, and that the resolutions of the Boards concerned with detail estimate in each case may be forwarded.

Resolution.—Out of the provision of Rs. 500 in the current year's District Fund budget on account of repairs to dispensaries, a sum of Rs. 400 has been already appropriated during the current year and there remains a balance of Rs. 100, for which the Senior Surgeon has applied for being appropriated towards the repairs of dispensaries at Turuvekere and Pavagada. As the full cost of menial establishment and other hospital charges of the three dispensaries (Koratagere, Turuvekere and Huliyurdurga) referred to in the Government Order read above, is borne exclusively by District Funds no quota is paid therefor out of Municipal Funds. There being no funds available for the reflooring of the abovenamed three dispensaries during the current year, the same may be reserved for consideration the next year. The Executive Engineer may be asked to furnish the detailed estimates for the reflooring of the dispensaries in question for being forwarded to Government as required in the Government Proceedings read above.

VIII. Read Executive Engineer's docket No. 12, dated 10th January 1907, stating that on certain roads the traffic is very heavy, that their mileage grant may be increased to Rs. 200 a mile, as otherwise the roads will soon get so bad that a heavy initial outlay will be necessary to bring them to formation and proposing that the required funds may be raised, if necessary, by establishing a toll-gate at a suitable point of the road.

Resolved that there are no funds to increase the present mileage grant of the roads referred to and that the question of levying tolls be deferred to the next meeting of the Board.

IX. Read letter from the Rev. W. B. Trewhella asking for a grant of Rs. 50 for sinking a fresh water well at the back of the Christian church near Gubbi and papers connected therewith.

X. As per Gubbi Sub-Division Assistant Commissioner's yadies Nos. 672 and 673, dated 26th March 1907, the supplemental estimate for Rs. 139 for deepening the fresh water well at Kadaba, Gubbi Taluk, was sanctioned and the amount required for it was met out of the amount sanctioned from Shettihalli well in the same Taluk which was abandoned.

Resolution.—Approved.

constructed on the road-side near Yediyur to which place the care-taker employed at Huliyurdurga travellers' bungalow be posted.

Resolution.—There is a chattar at Chakenahalli, which is near Yediyur and the road, and no new musafirkhana is needed near Yediyur.

XVI. Read Kunigal Amildar's report No. 475, dated 16th January 1907, forwarding Taluk Board's resolution stating that a portion of the musafirkhana at Kunigal is occupied from a long time by the Police Department causing inconvenience to the travelling public, that for the period occupied by them a fee may be levied, etc.
